

Moving on Up! Facilities Planning in the Digital Age

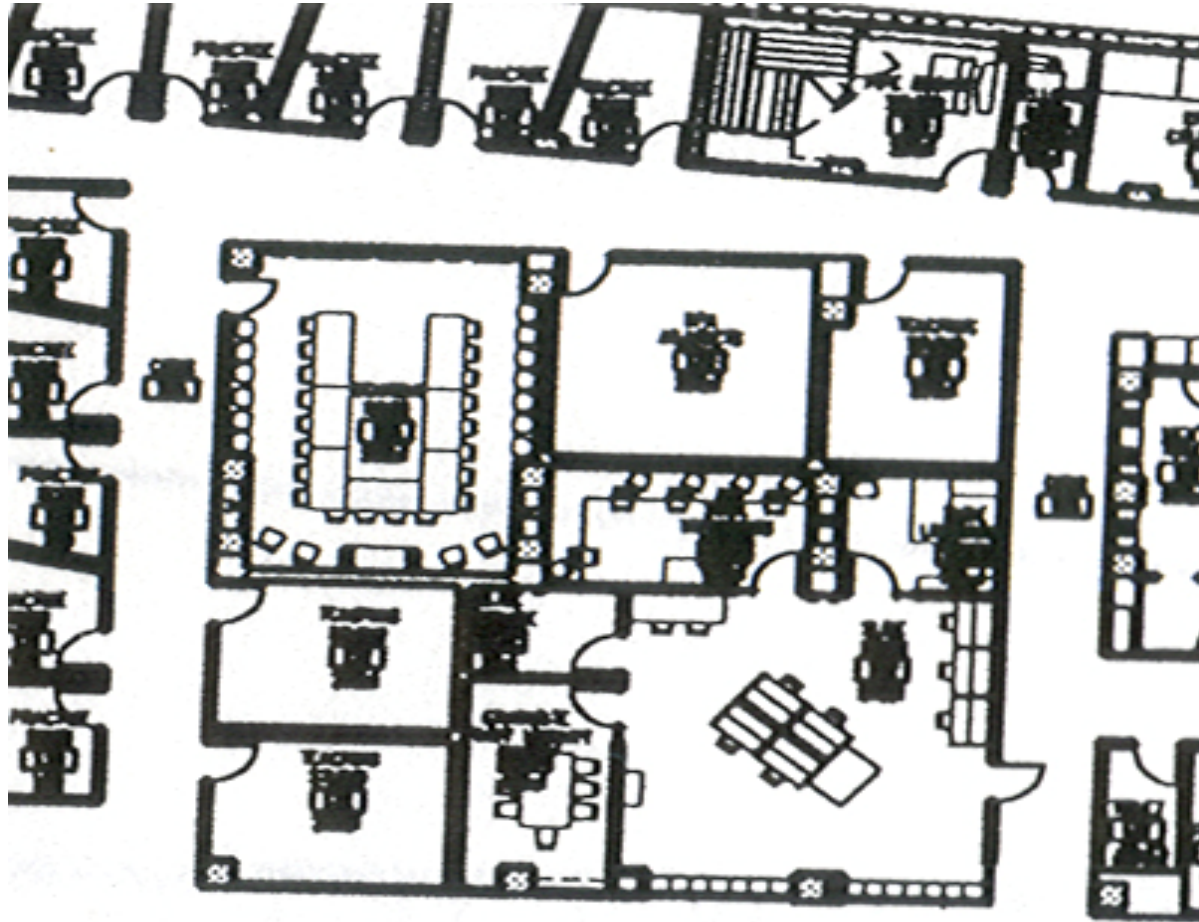

Kathe Hicks Albrecht
American University
VRA Conference
March 2008
San Diego, California

Develop a Plan

- Keep spaces flexible for the analog to digital transition
- Request generous square footage
- Explain Function Clearly to Architects
- Prioritize Needs
- Be Ready for the Space Squeeze
- Understand the Architect's vision

What Has Changed?

- Staff Supervision
- New Workflows
- Inevitable Problems
- Where is the Slide Library?
- Newer and Newer Technology
- Becoming the Public Face of your Program
- Space Squeeze Continues
